

8 July 2016

Dear Students,

Important dates and information for your diary

Progression

Over the last few weeks, you would have had discussions with your subject teachers about your plans as you move from Year 12 to Year 13. In order to move on to A Level, you must achieve three A-E grades in your Year 12 AS exams.

End of Term for Year 12 students: Wednesday 13 July 2016.

Start of Term: Tuesday 6 September 2016 - Please meet in the Common Room at 9am to pick up your new timetable.

Exam Results and Year 13 Induction: Thursday 18 August 2016 - Ark William Parker Main Hall.

Exam results can be picked up in person on this day from 11.00am. If you are unable to attend in person, please leave a stamped addressed envelope with Donna before the end of term. Please note, if you want to authorise someone else to collect your results for you, we must have a letter of authority signed by you (this includes asking your parents to pick them up on your behalf).

Please also note that Year 13 enrolment will take place from 11.00am once you have collected results.

In the meantime, I would like to take this opportunity to wish you a relaxed and enjoyable summer and will see you on results day.

Yours faithfully

James Hamilton
Head of Ark 6th Form East Sussex
